

Kevin McCallister

“As a kid who is sometimes left home alone, I want to be able to talk online with family, friends or nice strangers so I don’t feel alone and I can share my fun activities with other people online.”

Student - 8 years old

Lives with mother and father and has 2 older brothers and 2 older sisters. It is quite cold and snows where he lives.

Kevin wants to get through school. To protect his home from burglars whilst his family is away on vacation. Kevin is resourceful and creative, and when he believes in himself accomplishes amazing things and even outsmarts criminal masterminds.

Quote “I’m living alone, I’m living alone.”

Brennan Huff

“As a grown man who still lives at home, I want to be able to make friends online because I’ve been called the songbird of my generation. And I want to share my voice with friends online. Because Positive Peeps only allows positive posts, it means my brother Derek won’t be on there and I can feel safe and happy.”

House man who is 39yrs old. Lives with his stepbrother Dale who is about the same age and his mother and stepfather. Brennan and Dale became unlikely bestfriends and do fun activities together like build bunk beds. Brennan would like others to hear his singing voice but is quite shy of singing in front of others due to bullying.

Quote “Can we turn our beds into bunk beds so that there is more room for activities.”

Dr Eleanor Abernathy, MD JD

"As a woman who lives alone with my cats, I want to talk with other cat lovers because it's hard to meet kind people when you suffer from a mental illness."

40 years old and Takes care of cats
Former Doctor and Lawyer

Dr Eleanor suffers from mental illness after burning out as a lawyer and a doctor and comforts herself by surrounding herself with cats. She is highly intelligent however mostly speaks gibberish unless medicated.

Quote""Can anyone who loves animals this much *really* be crazy?"
